5. Earlier this week we received a telephone call from [REDACTED] requesting information on an external trainee at Harvard University named [REDACTED]. Our records reflect no such trainee. A check of the machine runs, Position Inventory, Staff Agent Panel, Contracts, and the pseudo files produced nothing. [REDACTED] contacted a [REDACTED], ORR consultant at Harvard, about the possibility of receiving a Littauer Fellowship. He explained to her that he was \$5,000 short (I don't know of what) and needed a fellowship. He also must have informed her that he was with CIA as she explained that CIA has students on campus under Agency sponsorship. [REDACTED] casually mentioned the case to [REDACTED] ORR, during a long-distance call. [REDACTED] would like to give Miss [REDACTED] some sort of answer on [REDACTED]'s problem.

The only two [REDACTED] listed are Sidney with OC and Harvey with WE. Maybe it's "Harvey!"

* This is a DDP employee, now CIA-surfaced. He is attempting to get a Littauer fellowship. He has apparently gone ahead on his own with no plans to seek Agency sponsorship. Casually, he has talked with [REDACTED] about it but no one seems to know about admin arrangements other than that cover has been lifted.
